Partial List of General Meeting Agenda Items:

Plan calendar of events for 2012

SNAIL always meets on the first Thursday of the month. The rare exceptions are when the first Thursday is also the same date as a big holiday. **Mark your calendar now for the rest of the year!** All SNAIL area homeowners, residents and guests are invited. Children are welcome. Membership in SNAIL is always free.

Message from the Chair

Happy New Year!

“New blood” is something we’ve talked about often -- we’ve been fortunate to get some this year. Not that there’s anything wrong with the “old blood”. Generally officers volunteer for a few years and then step aside when other commitments get in the way. Craig Black did an excellent job as 2011 Vice Chair taking care of our meeting venue and he was always ready to step in and run the meetings in my absence. Craig was the only person to volunteer to accept the “Guest Chair” position on several occasions in 2011. The idea is to give SNAIL members experience running meetings by letting them lead sizeable parts of them. We were also very fortunate to have June Valenti perform the duties of Secretary in 2011. June has years of well-rounded experience in SNAIL; she has always been great to have at our meetings and activities. We are fortunate to have John Cordes join us as the 2012 Vice Chair and Kirstin Sims join us as Secretary starting in February. Both will be learning the ropes, asking a lot of questions, but also bringing in their own styles and ideas. Please welcome John and Kirstin in their new roles in SNAIL!

Jim Quaderer

SNAIL Survey

With a few special exceptions, SNAIL has been meeting on the first Thursday of the month for 16 years. When asked why they don’t attend our meetings, some people have said things like, “I have class that night.” or, “My PTA meeting is also the first Thursday of the month.” Last fall, the SNAIL membership decided to distribute a survey which was inserted inside the December 2011 newsletter. We are mainly interested in knowing which day during the first week of the month is the most convenient for our neighbors to attend the General meetings. If we hear at least a few requests to meet on a different night, or even during the day on weekends, we will change our meeting time to accommodate more people. But we have only received a handful of responses to our December survey; we don’t have enough responses to reach any conclusions. At the December meeting, we decided to not review the survey results until we get more responses. We are postponing the survey deadline until January 4th in the hopes that we can get some more feedback. You can still find the survey in three places:

1. In your December newsletter.

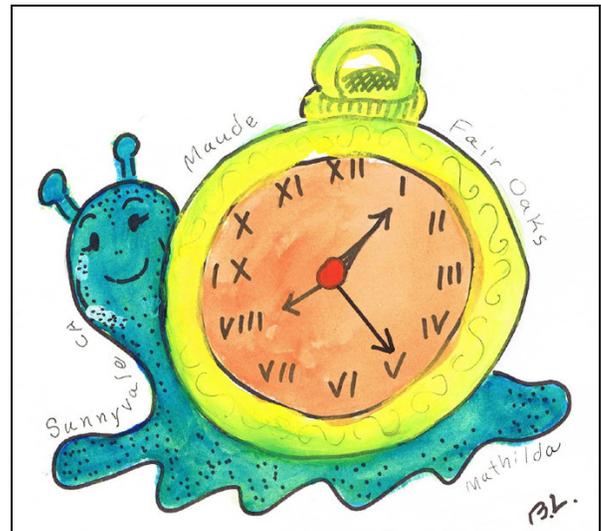

2. Download it from www.snail.org. You can then email it to SNAILchair@snail.org.
3. Call Connie at 408-739-8490 and she will read you the survey questions on the phone and record your responses.

PLEASE RESPOND TO THE SURVEY NOW!

Neighborhood Holiday Party

Many thanks to everyone who came to the holiday party on December 10. We had a marvelous spread of delicious food. Neighbors were able to meet new neighbors and catch up with others we have not seen for a while. The children who came enjoyed playing throughout the evening. We were visited by current and newly elected council members Jim Davis, Jim Griffith, and Dave Whittum. And to top it all off, neighbors who lingered to the end of the party were treated by a mini-concert from Jesse and Zachary Aubin on their violas.

We look forward to continuing the sense of neighborly sharing that we experience at this party year after year. Maybe we'll see you at the next SNAIL gathering, too!

Election Results

We held our (postponed) elections at the December meeting. The following SNAILS were elected:

Chair	Jim Quaderer
Vice Chair	John Cordes
Secretary	June Valenti
Treasurer	Bonnie Lloyd

Kirstin Sims volunteered to run for Secretary at the December meeting but unfortunately we could not put her on the ballot because she had not attended a minimum of two meetings in the past 4 months as required by the bylaws. June Valenti agreed to stay on as Secretary for one additional month until Kirstin can step into that role. At the January meeting, Kirstin will have fulfilled the two-meeting requirement so we will have a separate election for the office of Secretary then. We were in a tenuous position but Kirstin saved the day by volunteering her time to be our Secretary for most of 2012. Thank you, Kirstin!
Equally special thanks also goes to John Cordes who volunteered to run for Vice Chair at the November meeting. Thank you, John!

Columbia Neighborhood Center Information

Introducing the Avenidas **Early Literacy Program** (ELP) and an opportunity to serve the Columbia Neighborhood and the Sunnyvale Community.

The Early Literacy Program (ELP) provides volunteer tutors to local elementary schools in order to help primary students (1st, 2nd, and/or 3rd-graders) who have difficulty reading. If you like to read and enjoy being with children, the ELP is for you! Tutors volunteer two hours a week, working with two children for ½ hour each back-to-back on two different days. Classroom teachers provide the tutors with reading materials and brief instructions about what each child should accomplish in each session. Volunteers will be trained and placed in a school convenient to where you live: currently there are teams of tutors at **Bishop, Lakewood, and Vargas Elementary Schools** in the **Sunnyvale School District**. (For your information, the ELP is also in five other districts, including

Mountain View Whisman, Los Altos, Palo Alto, Ravenswood, and Redwood City.) The ELP has been serving struggling readers since 1996, when a small group of tutors began working with a small group of students at one Palo Alto elementary school; since then the program has grown to 28 schools and the volunteers now work with approximately 200 students every year. It is a true win-win opportunity for children and tutors alike: students improve and volunteers keeping coming back year after year.

Interested? If you would like to receive more information, a brochure, or an application to become an Avenidas volunteer, please contact Michael Kass, Director of the Early Literacy Program, at 650-289-5419 or mkass@avenidas.org.

The ELP, which serves children in six mid-Peninsula school districts, is sponsored by Avenidas, the Palo Alto Senior Center.

Are You Coughing?

How many of you have been having a cold or the flu the past month? We got over everything but the cough...and realized back in the country (Wyoming) we used to have a tea kettle full of water sitting on the wood stove all day. The stove was always hot for cooking and heating and the steam from that kettle kept moisture in the air. My husband and I put a stock pot 3/4 full of water on the electric stovetop to slow boil for an hour or so at a time -- our deep dry coughs left!!! And we crack our windows a bit to let in fresh air. The furnace and fireplace take the oxygen and moisture out of the air.

Red Bows 2011

We had another cheerful send off to Elves of all ages to brighten our neighborhood with Red Bows for the Holiday Season. Twenty-five neighbors gathered at the Breakfast Social on December 3rd to share goodies and good will before starting on their way. Many thanks to all who participated in this annual event. Let's remember to take them down the first week in January and store them for next year if you have space. Anyone who can't store them, please return them to Connie. We appreciate you all so much.

Getting the New Year off to a good start, this will be a Dinner Night Out in a family-friendly restaurant that not only has kids, regular, and senior menus, but is also a treat for the eye.
