Did you know...?

The city of Sunnyvale has a number of "quality of life" regulations. For example, the storage or accumulation of materials, equipment, debris, junk, litter, etc. in public view is forbidden. The same goes for trash cans when not put out for collection. Whenever possible, please put the eyesores in the *back* yard, folks. If you have questions or concerns about neighborhood preservation issues, please contact Jim at np@snail.org or 737-9479.
